RANCH RAMBLINGS MAY 2024 ISSUE

Message from the President

Dear Hope Ranch Association Members,

Welcome to Summer, everyone! (well, soon, anyway.) As summer nears, we are looking forward to celebrating 100 years of Hope Ranch! We began our festivities last week with the Hope Ranch Historical Home & Garden Tour, which was a great success, and we thank everyone who joined us in seeing four fabulous and historic properties and enjoying great wines and appetizers. We may even have coined a new phrase, 'pop up cocktail parties!' We hope to continue this event in the future!

The Summer Camp Out and Labor Day Weekend Beach Festival this year will also celebrate our Centennial, with commemorative clothing to match!

We also should be sending out in the very near future, for the Member Comment Period, at long last... wait for it... the Hope Ranch Pickleball Court and Play Policy. This has been a lot of time and effort in the making, researching and devising a policy that will allow homeowners to enjoy the use of their property while allowing the neighbors the quiet enjoyment of their property. We will look forward to your thoughts and comments.

On a side note, as we head into summer, and as the storm season has likely ended, your Ranch Maintenance Crews can resume clearing up some of the recently fallen trees in the common area creeks and on the trails. While the Crew will do the best they can to clear the trails, the remaining trunks along the creek sides will be left in place, as we have been advised that even in that state, they will help stabilize the creek sides against future storm damage.

I would like to commend our crew for the exemplary work they performed this winter assisting with downed trees as needed. I also want to thank the Members who were victims to the storms for their immediate cooperation in removing their trees.

President, Hope Ranch Park Owners Association*

Message from the General Manager

Happy Centennial Summer Hope Ranch Members!

As we say goodbye to Spring, it is time to launch into our summer events. What better way than to display our Centennial Spirit with the banners at our exits on Las Palmas and Marina and the Beach Cabana area. I want to start this message by thanking Jeff and Sharon Jordano for donating these beautiful banners as a daily reminder to Members and guests that the Hope Ranch Park Homes Association is 100 this year!

As Marco mentioned, from the feedback of the Members who attended, the Home & Garden Tour was a resounding success. This event could not have come together without my Special Event volunteers Lisa Solana and Sharon Jordano in concert with my staff; Liza, Donna and Frank to implement all the logistics required leading up and the day of our event. I also want to thank the van drivers, Misael, Geno, Sergio Sr. and Sergio Jr. who provided continuous transportation throughout the day. I also want to thank our Vintners for providing the libation; Rusack Wines, Fess Parker Wines, Gypsy Canyon and Folded Hills Winery. Thank you to our property volunteers; Roberta Ainciart, Jane Lodalas, Alicia Linquiti, Sally Swift, Susan Mosby, Wendy Gronsky and board volunteers Mark Mosby, Laurie Kurilla, Marco Del Chiaro, Suzanne Reuter and Stephanie Wilson. Finally, the host property Members; Michael & Jane Nicholas, Adrian & Lisa Foley, John & Elizabeth Bunce and Josh & Dani Macaluso. Thank you for your participation in elevating a renewed sense of community in Hope Ranch. Here are just a few of the comments received:

“ I wanted to send my thanks for arranging a very special afternoon yesterday. It was organized incredibly well--shuttles on time and efficient (with friendly drivers!), informative printouts of the homes at every location, impeccably manicured gardens, and architecturally magnificent homes (many thanks to the owners who hosted and the volunteers who provided food and beverages at each stop)

It was a special time to meet other HR residents and to share in the beauty of our surroundings.

Thank you all for organizing such a memorable and enjoyable afternoon. “

Jane Smith

“Fifty-two years and rave reports from everyone who attended. This was so well planned. There wasn't a hitch. Five stars for sure!”

Linda Lorenzen

“Adrian and I thoroughly enjoyed opening up our home and gardens for Hope Ranch's 100th year celebration!

The committee did a terrific job organizing the event, and they took great care of our home while we toured the other participating properties. It was a wonderful opportunity for us to meet our new neighbors! We look forward to being a part of future events in the community. “

Lisa Culligan Foley, Via Presada Owner

Based on the feedback, it is my intent to include a Home and Garden Tour” to the Hope Ranch Annual Calendar. We can expand the tour to be open to any Member who wants to submit their home for a future event.

If you are interested in having your home on a future tour, please submit your request to the office and we will send you an application. Thank you to all who participated. I look forward to next year!

Beach Clean Up June 8th 10am-2pm

Our next community event will be the Annual Beach Clean up on Saturday June 8th from 10am-2pm. We will provide trash bags and gloves and also BBQ hotdogs (with Chef Tony & Sergio Jr. on the grill). Drinks, chips, and cookies will also be provided.

Supervisory Laura Capps accepted my invitation to join the event which will give you a chance to speak to her should you choose. So, if you missed the Home & Garden Tour and want to join in an event in the spirit of a renewed sense of community, I encourage you to join us on June 8th!

Junior Lifeguard Program Comes to Hope Ranch July 29th-August 9th

If you are interested in enrolling your child in our first Jr. Lifeguard Program, I encourage you to attend our May 28th Board meeting to find out more details about it. Led by our Patrol guard Dan Raducanu, who is a state Certified Ocean Lifeguard, the program is open to children 8-16 years old. Wouldn't it be great to have future summer lifeguards residents of the Ranch? Please contact the office if you are interested to get on the list!

2024 Road Work

It is that time of year to begin preparing for our annual road project. The streets this year (in alphabetical order) are: Airosa, Alisa, Bendita (from Las Palmas to Roblada), Dichosa, Estrella (the entire run) Glorietta, and Vistosa. For those of you living on these streets, you will be getting email notices from the office regarding tree limbs over the road that will need trimming. The deadline to perform the trimming is June 15th. If you need our crew to perform the work for a fee, please let Donna know and we will schedule it for you and bill you accordingly.

There is no question that chip sealing the entire run of Estrella will be of some inconvenience to many Members. There will be lots of communication from the office on Estrella closures as we move through it. I will thank you now, and probably many times more, for your understanding and cooperation as we work through this project.

Dogs on Beach Rule

I took the liberty of providing you the HRPHA rules regarding dogs on the beach. It is

especially important during the summertime when many more people are using the beach area. Please remember to be considerate and mindful of others in the beach area

1. *Dogs on the Beach: Dogs must be leashed at all times while at the main area beach park. From Memorial Day weekend through September 30th cones will be set out to the east and west of the main beach use area, and dogs may be unleashed beyond these points. Upon bringing a dog to the beach, the owner must immediately walk the dog beyond the main beach use area. Dogs must be leashed from the time they are taken from the member's vehicle to the point where they are walked beyond the "dog free area" identified by cones on the sand. Dogs are not allowed to remain in the main beach use area,*

including the locker facilities or parking areas.

The months ahead will be busy. I hope to see you this summer enjoying all your community has to offer.

See you around the Ranch,

Jill Van Zeebroeck, General Manager

PATROL REPORT

Prepared by Frank Mendez, Post Commander

February 23 2:18PM – Patrol received a request from the Sheriff's Department to assist with an alarm activation at a residence on the 4500-blk. of Via Huerto. Initially, patrol was not able to gain access but was then able to do so when the Resident provided the updated gate code. A perimeter check was conducted of the residence, which was found secure.

February 24 10:09AM – Patrol received a report from a Resident on Estrella Dr. who reported construction work at a residence on Mariposa Dr. that did not obtain prior authorization from the HR bldg. dept. Patrol contacted the workers who stopped working. Note: Please obtain prior authorization from the HR bldg. department for any Saturday construction work, thank you.

February 24 11:47AM – Patrol received a report from a Resident on Via Fruteria who reported that a gardener, who works for a landscaping co. she has used, walked into her residence disgruntled and asking for money in Spanish. Multiple family members were home at the time and confronted the individual who left in a vehicle at a high rate of speed. The Sheriff's Department was contacted to investigate. Patrol suggested the Residents change their gate code. Patrol provided the Sheriff's Department FLOCK license plate info of the involved vehicle.

February 25 10:57AM – Patrol received a report from a Resident on Via Roblada who reported a homeless person walking down the street. Patrol responded and noticed a male walking along the shoulder of the roadway. The male eventually exited the Ranch.

February 25 6:10PM – While conducting a vacation check at a residence on Cresta Ave., patrol found an unlocked door leading into the house. Patrol discovered the alarm to the house had also been turned off because some service was being done at the house. The Resident would have the housekeeper lock the door. **Note: Please lock your doors and windows when filling out a vacation check form, thank you.**

February 28 4:55PM – Patrol received a report from a property manager on Via Roblada who reported a possible homeless male on Via Roblada by a residence close to the More Mesa trail head access. Patrol learned the

information was second hand and no further details were available. Both patrol units checked the area and were not able to locate the reported person.

March 2 2:00PM – Patrol received a report from a Resident on the 4200-blk. of Vieja Dr. who reported that the day prior at 8:00pm, someone in a vehicle with an out of state license plate, tried to unsuccessfully break into her brother's vehicle with an object, while the vehicle was parked at the Vieja Dr. address. At the time, the brother was inside the vehicle, and it was rainy and dark. Another person with a bicycle was also spotted. The Resident provided a license plate and patrol was able to get a match on the HR FLOCK license plate cameras.

March 4 9:14AM – Patrol received a report from a Resident on Via Roblada who reported her cat missing since 7:00pm the night before. Neighbors and patrol kept an eye out and a \$1500 reward was offered for the cat's return. Update: Patrol learned the cat returned home a couple of days later.

March 4 6:00PM – While conducting a check of the HR tennis courts, patrol noticed the entrance door to the courts had been propped open with a piece of wood. Patrol removed the wood and secured the door. Note: **Please keep the tennis courts door closed and secure to keep out any unauthorized users, thank you.**

March 5 10:45AM – Patrol received a report from the Sheriff's Department of a stolen gray Jeep with out of state plates that was reportedly last seen heading towards Hope Ranch (No entry point provided). Patrol checked the HR FLOCK license plate system, but the Jeep was not seen in any FLOCK images. Info was provided to the Sheriff's Department.

March 5 12:09PM – Patrol received a report from the HR bldg. admin. who advised that a construction contractor on Via Vistosa reported the theft of tools from the construction site. The timeline provided was over the previous weekend. No further details were provided. Patrol provided the link to the Sheriff's Department online reporting system, which can be used to file a report for the incident.

March 7 4:58PM – While on routine patrol the 4200-blk. of Llano Ave., patrol noticed a large landscaping/tree co. truck stuck in the mud and

blocking the roadway. Patrol provided traffic control while the truck was towed out and the roadway was cleared.

March 8 11:51AM – While on routine patrol of the west-end of Via Roblada and Via Bendita, patrol contacted a male with a backpack and carrying a plastic bag and learned he was lost. The male was trying to get back to the ocean. Patrol provided the male with directions to the More Mesa Preserve staircase. The male was last seen waking walking towards the Preserve.

March 9 08:11AM – While on routine patrol of the 900-blk. of Via Fruteria, patrol noticed a large tree down on the roadway. Patrol placed safety cones and advised the HR maintenance supervisor. Patrol contacted the Resident who owns the tree, and she advised that a tree service company was responding to handle the downed tree. The tree was cleared from the roadway.

March 13 2:30PM – While conducting stationary patrol for traffic and school pedestrian safety at the intersection of Via Tranquila & Vieja Dr., patrol was contacted by a Vieja Valley student, about 11-12 yrs. old, who asked patrol for assistance in calling his mom with the patrol cellphone to pick him up. The mom thought her son was going to ride his bike home but that turned out not to be the case. The mom picked up her son without incident.

March 14 6:07PM – While on routine patrol of Roble Dr. and Llano Ave., patrol came across a motorcycle accident involving a red Triumph motorcycle. Patrol contacted the male city college student, and he declined any medical emergency services. Patrol assisted the male with first aid for a minor abrasion below his knee. Patrol used the patrol unit for traffic control and assisted the male in removing his motorcycle out of the ditch. The motorcycle had sustained minor damage and was fully operational. The male rode off without incident. It was determined the male had been traveling northbound on Roble and took the corner too fast, ending up in the ditch. It was noted the male had been wearing protective motorcycle riding gear.

March 16 2:30PM – While scanning the Sheriff's Department radio frequency, patrol heard the Sheriff's on a traffic stop on an electric bike at Marina Dr. and Estrella Dr. A Sheriff's Sergeant had issued a citation to the young adult rider, cooperative and who had been observed by the Sergeant driving recklessly towards Hope Ranch. The rider was observed by the Sergeant going 50 mph in a 30-mph zone and running 2 stop signs

knowing the Sheriff unit was behind him. It was discovered the electric bike had been modified to travel at faster speeds.

March 17 6:05PM – Patrol received a report from a Resident who reported a transient on Marina. Dr. who had his belongings all over the roadway. The male had a total of 5 plastic bags full of items. The male looked disheveled and was wearing tethered rags as clothes. The male was seen talking to himself. Patrol contacted the male and suggested an alternate route, but the continued walking along the county road.

March 19 8:00PM – Patrol received a report from a Resident on the 3900-blk. of Via Laguna who asked for the area on the back side of Via Laguna by the La Cumbre bridge checked for a homeless person. The Sheriff's had also responded, and no one was found. Patrol located some trash, but did not locate anyone.

March 20 3:15PM – Patrol received a report of a 2-vehicle traffic collision on Las Palmas and traffic backing up. Patrol responded to the collision at Las Palmas and Via Presada. AMR ambulance was on scene but there were no reported injuries. SBC Fire Department also responded to the scene. Patrol conducted traffic control and CHP arrived soon after to take a report.

March 21 7:58AM – Patrol received a report from a Resident on Lago who reported an accident between a semi-truck and a tree. Patrol responded and on scene was an AMR ambulance and an SBC Fire Department engine. Patrol learned the semi-truck with a cargo trailer had collided with an oak tree branch, which came down and on top of 2 pedestrians who were walking their dog in the opposite direction. Both pedestrians were transported by AMR to the hospital. CHP units responded to the scene to investigate the collision and patrol conducted traffic control until the roadway was clear. A private tree service removed the tree branch that was still laying at an angle on top of the cargo trailer and down to the ground. It was reported the 2 pedestrians were guests of a Ranch Resident.

March 23 8:58AM – While on routine patrol of Via Esperanza and Via Cayente, patrol noticed a large tree limb down on Via Esperanza. Patrol marked the area with cones and a barricade and advised the HR maintenance supervisor. The HR maintenance crew cut and cleared the limbs and cleared the roadway.

March 24 1:47PM – Patrol received a report from a Resident on the 3900-blk. of Via Laguna who reported a homeless encampment to the rear of his property by Las Palmas and the La Cumbre bridge. Patrol contacted a homeless male who was with a female and dog at the location. The couple understood they could not camp at the location and were packing up to leave and go to the laundromat to clean their wet clothes. The SB County Critical Incident Team also responded to the scene. The area was eventually cleared of the items. Patrol has continued to conduct extra patrols of the area, which has remained clear.

March 26 1:13PM – While on routine patrol of the 4500-blk. of Via Bendita, patrol noticed 4 large unattended boxes that had been delivered to the front gate. Patrol assisted the Resident to prevent the boxes from being stolen by “Porch pirates.”

March 29 3:10PM – Patrol received a report from a Resident on Llano who was out of the country and had received a call from her alarm company that her alarm was triggered. The Resident requested patrol to check the property. Both patrol units checked the property, which was found all secure – No sign(s) of forced entry, etc.

March 30 8:00AM – Patrol received a report from the HR maintenance supervisor regarding a tree down and blocking the 1300-blk. of Las Palmas Dr. Patrol deployed cones and barricades and the SB County public works and the county Fire Department were notified. The tree was cleared, and the roadway was re-opened.

March 30 2:20PM – Patrol received a report from a Resident who reported a tree down and blocking Las Olas by the entrance to HR beach. Patrol contacted the HR maintenance supervisor who responded and cleared the tree from the roadway. Access to the beach was re-opened.

March 30 3:20PM – While conducting a vacation check in HR (Location intentionally omitted), patrol found every single door to the unattended house unlocked. Patrol contacted the person listed as a contact for the property who said that her guess was that the owners wanted all the doors left unlocked. The house was left as found. Note: Please lock your doors and windows when leaving your house unattended, thank you.

April 1 11:23AM – While conducting a routine check of the Via Huerto fire gate, patrol noticed 2 warning signs on the gate had been vandalized with bumper stickers. Patrol was able to remove the bumper stickers without issue. At this time, the suspect is unknown.

April 5 08:12AM – Patrol received a report from a Resident who reported a male who looked disheveled walking on Roble Dr. headed towards Llano Ave. Patrol checked the area and initially could not locate the male. Patrol received 2 calls from separate Residents with sightings of the male who was walking on Estrella Dr. approaching Monte Dr. Patrol located the male who appeared to be in his 30's, who had dirty clothing and wet shoes. The male said he was lost. The male said he suffers from mental illness and was looking for a doctor who works at a local hospital and lives in HR. Patrol took note that the male talked about some very graphic and traumatic stories of his childhood. The male was last seen exiting the Ranch. The male was cooperative with patrol.

April 7 09:25AM – While on routine patrol on Las Palmas Dr. by Paloma Dr., patrol noticed a group of runners in the middle of the road on Las Palmas Dr. Due to the dangerous traffic hazard being created by the running group, patrol called for CHP to respond. A few minutes later, patrol noticed 2 male runners in the middle of the road on Via Huerto heading in the direction of the patrol unit. Patrol stopped and asked the runners if they were Ranch Residents, to which one runner replied by "Flipping off" (Middle finger) patrol, as the other runner said, "F**K OFF!" Both males looked about 25 years old. Despite the disrespectful and discourteous demeanor of the males, patrol will continue to address unsafe hazards.

April 7 12:45PM – While on routine patrol of Las Palmas Dr., patrol noticed a private cycling and hiking vacation company had set up a "Pit stop" (Break location) on the side of the road at the HR tennis courts parking lot area, which was causing a dangerous hazard to traffic. A company van and a table with food was set up for the cyclist who stopped. Patrol advised the company representative that the tennis courts area was private property and of the traffic hazard they were creating. There was a further discussion with the company leadership who was cooperative and understood not to set up on private property again. Patrol also mentioned the traffic hazard the cyclist created as they cycled along the county road.

April 9 09:53AM – Patrol received a report from a Resident who reported a homeless male smoking a joint (Marijuana) on Via Alegre. Patrol responded and checked the area and nearby streets, but the reported male was not found. Patrol kept an eye out during their shifts and no sighting(s). No subsequent call(s) were reported.

April 9 03:15AM – While on routine patrol of Las Palmas Dr. in the early morning hours, patrol noticed a tree down and blocking along the 1100-blk. of Las Palmas Dr. Patrol contacted SBC Sheriff's Dispatch and they dispatched the SBC Fire Department who responded to cut and remove the tree from the roadway.

April 11 1:29PM – While on routine patrol of the path area behind the residences along the 200/300-blk. of Las Palmas Dr., patrol contacted a Spanish speaking male with a backpack sitting down on the dirt next to a beach cruiser bike. The male did not need assistance and said he had stopped to take break and that he had gotten something in his eye. The male was last seen leaving after taking a drink from his beverage. The male was polite during contact.

April 14 08:00AM – Patrol received a report from a Resident on Via Roblada who reported that earlier that morning at 2:00am, their security cameras captured a grey/beige Dodge sedan that had entered their property and parked in front of their garage. An unknown male was seen walking along the west side of the property, while on his cell phone and carrying a heavy handbag. The Resident filed a report with the Sheriff's Department. Patrol checked the HR FLOCK license plate reader cameras and the Cliff Dr. "Look out" video cameras and was able to find a Dodge and plate # around the same time frame just before the Dodge entered HR on Marina Dr. Patrol emailed the video and images to the Sheriff's Deputy who was investigating the situation.

April 18 11:55AM – Patrol received a report from a Resident who reported an overturned truck on Cliff Dr., near the "Look out" and it was causing traffic to back up on Marina Dr. Patrol checked the Cliff Dr. cameras and noticed an overturned dump truck at the bend on Cliff Dr. SB City Police and Fire Department agencies were on scene. AMR ambulance also responded. Patrol alerted the Hope Ranch General Manager who notified HR Residents via an e-blast about the traffic conditions affecting the Marina Dr. exit. Cliff Dr. traffic was closed to thru traffic for approximately 5 hours.

Patrol reviewed the video footage and noticed the dump truck, loaded with dirt, came from the direction of Marina Dr. that is located outside HR towards Sea Ranch Road. At 11:38am, the truck overturned at the bend on Cliff Dr. Several passers-by stopped to assist the driver who self-extricated out of the cab of the truck. A heavy-duty tow truck operation was used to flip the truck over, and a crew was used to clean up the spilled dirt. Injuries to the driver were unknown, but the video footage showed him walking around the scene. Cliff Dr. was re-opened at 4:54pm

April 23 4:00PM – Patrol received a report from a Resident on Via Presada who reported 4 of his electric bicycles stolen from his property sometime between a 2-day period the previous week. The Resident had been away but had a house sitter who had left for a period of time on one of the days. The Resident reviewed his Ring doorbell camera footage that captured an unknown person who came to his door the week before, which provided a possible timeline. In that footage, a glimpse of a white colored vehicle was seen at a distance. Patrol checked the HR FLOCK license plate reader cameras around the possible timeline and the Cliff Dr. “Look out” video cameras. Patrol was able to find a white colored Ford pickup truck that entered the Ranch on Las Palmas, with a nearly empty bed. The same Ford truck was seen some time later exiting out Via Tranquila with various bicycles in the bed. FLOCK captured the Ford’s plate # and the Cliff Dr. cameras captured video footage of the driver and passenger on a different day right before a prior visit to the Ranch. The Resident filed a report with the Sheriff’s Department and patrol provided the collected videos and images to the Sheriff Deputy investigating the case.

Frank's safety tip of the Month

With Summer vacation just around the corner, this is a great time to remind Residents of the Vacation Form. Residents, please continue to fill out and submit your vacation forms but remember to lock doors and windows before leaving. A good idea would be to walk around the exterior of your residence and check the doors and windows from the outside. One other important thing, on the form there is a section to provide your gate code – Please provide the gate code to patrol so access can be made onto your property so we can check it. Without it, we may not be able to access your property to check it. Below is some other vacation

information.

- Currently patrol only has 15 active vacation forms on file. We would like to see more.
- You can also use the vacation form for a construction site, if your house is vacant (For sale, etc.), or if our house is being tented (Fumigated). Note: A Resident recently filled out a form for her house being tented and advised patrol that the fumigation co. had her sign an acknowledgment that they were not responsible for any theft during the tenting. Just something to consider.

How do you get a blank vacation form?

- The HR HOA website
- Patrol can deliver you a form, text you a PDF copy, email it to you, or drop it off in your mailbox or in person.
- You can pick up a blank copy at the HR office.

Once you fill out our form, you can.

- Email it to – Hrpatrol@hoperanch.org
- Drop it off at the HR office
- Patrol can pick it up from you in person
- You can text a picture of it to the patrol direct cell phone at 805-800-9002
